

Leading Nigerian Law Firm, Detail Commercial Solicitors (DETAIL) Announces Strategic Partnership with Luxembourg Highly-Recognised Legal Advisor Linari Law Firm (LLF).

Nigeria is rapidly emerging an African hub of innovation, opportunity and growth in sectors such as energy, financial services, banking, FMCG, commodities, real estate, agribusiness and fintech.

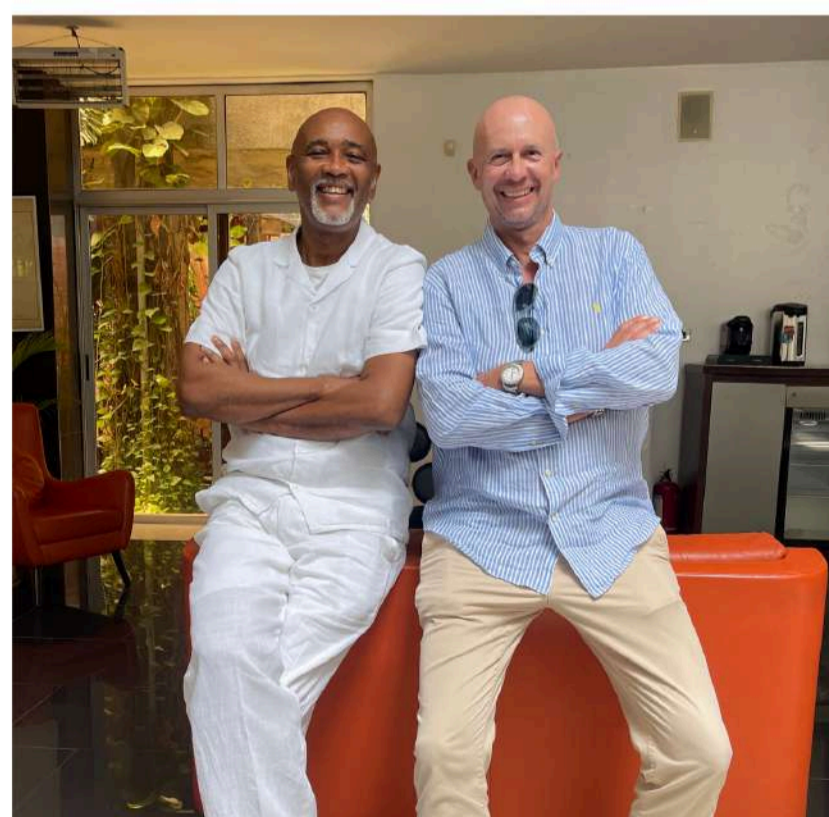

Luxembourg is one of the world's leading financial centers, the world's leading cross-border asset management hub and the second largest fund hub globally after the United States. Luxembourg as home of the global fund industry connects investors to markets across the world.

LLF has 25 years of adept innovative deal advisory and structuring in Luxembourg and beyond, dealing with commercially savvy clients, experienced regulators, international management companies and skilled service providers with expertise and global reach.

DETAIL has 20 years of legal, commercial and regulatory expertise in Nigeria with a strong African network, advising clients and closing milestone transactions in the key sectors.

With this partnership, DETAIL's and LLF's decades of diverse experience, market insight and cross border network are available to private and institutional investors, multinational corporations and emerging businesses to explore and create opportunities across jurisdictions.

Ayuli Jemide, Founder/Lead Partner at DETAIL, commented: *"DETAIL has always been committed to leveraging networks effectively to bring tangible value to our clients. This synergy with Linari Law Firm is a step in our new drive to give this philosophy a greater international outlook."*

DETAIL is distinct as Nigeria's first commercial solicitor firm to specialize exclusively in non-court room practice.
